Re: Jordan Draper

I am writing this reference at the request of Jordan Draper. I have known Jordan during Spring 2020 in my capacity as an adjunct professor at The University of Oklahoma. Jordan took my Digital Media Marketing class and she stood out with her leadership and work ethic skills. Her attendance and class participation during class were consistent. If I have not mentioned it before, I want to emphasize that I really admire Jordan's consistent effort in wanting to learn more, know more. She also displayed great teamwork skills as she worked on a social media project for our client at the time, AS Roma. I have no doubts that Jordan will be an asset for your team. In conclusion, I highly recommend Jordan Draper and I am sure that she will give her full efforts into your team.

Sincerely,
